

VSS-T1

1-Bay Mini Tower Video Appliance

ECONOMICAL AND PERFORMANCE-DRIVEN MINI TOWER RECORDING APPLIANCE

The VSS-T1 mini tower video recording appliance delivers the performance needed at an affordable price. It comes equipped with the latest Intel® 10th Generation Core™ processor, which provides nearly 18 percent more computing potential than previous generations. This slim and efficient appliance can power through any task.

The VSS-T1 offers up to 18TB of raw storage through a video grade SATA hard drive. Fast booting and application loading is enabled by a dedicated 256GB Operating System SSD, and up to 32GB of DDR4 RAM provides plentiful system resources.

System Reliability

System stability and peace of mind are provided with an operating system NVMe M.2 solid state drive as well as a three-year, on-site, next business day, Keep Your Hard Drive warranty.

Keep Your Hard Drive

With Video Storage Solutions' Keep Your Hard Drive warranty, your sensitive data and hard drive never leave your control. It also helps you comply with current data privacy regulations and internal company policies by ensuring sensitive information on your hard drive is not compromised, mitigating the risk of expensive civil litigation if confidential customer data or intellectual property were to be exposed.

KEY FEATURES

-  Up to 18TB of Raw Storage
-  Intel® Core™ 10th Generation Processor
-  Harmonize Bridge, powered by Tiger Technology
-  Video grade SATA Drives
-  3-Year, On-Site, NBD, Keep Your Hard Drive Warranty

POWERED BY TIGER TECHNOLOGY
